### About Us

The Butterfly Garden Spa invites you to enter our sanctuary where the luxury and pampering of European elegance join with Asian energy-harmonizing techniques. When inside our Garden, your treatment will be non-intrusive and will provide a tranquil environment for your transformation of beauty, health and vitality.

We are dedicated to being attentive and responsive to your every need. We enjoy making you comfortable and putting you at ease so you can experience total relaxation as you ascend to a serene state of mind, body and soul. Treat yourself. Maximize your potential & productivity at work and at home by customizing your temporary getaway with a package that includes a massage, a facial and a full-body exfoliation.

Our treatment menu is designed to help you make an informed decision on what type of treatment is best for you. All therapists and estheticians are fully certified, licensed and continue to master their skills through ongoing education and training.

At the Butterfly Garden Spa, we utilize only the highest quality products that are made with natural ingredients. Our techniques are proven, effective and offer immediate, recognizable benefits.
