

SKIN CARE SERVICES:

Utilizing a zone-by-zone analysis called Face Mapping, we will develop a face treatment that is tailored to meet the needs of your skin. Our facials are designed to help you achieve that youthful, healthy glow. We will also offer counsel on the continued care of your skin.

Spa Facial - Relaxation

Using massage techniques, this treatment provides a fresh appearance and focuses on:

- Deep Cleansing
- Exfoliation
- Face, neck and décolleté massage
- Skin type appropriate hydrating masque

Garden Facial - Anti-Aging/Power Regeneration

With a vitamin and hydroxy acid exfoliation, energizing massage techniques and a specialized masque, you can enjoy the ultimate in skin therapy for premature aging or dry skin.

- Deep Cleansing
- Exfoliation
- Ultrasound machine/Galvanic machine
- Face, neck and décolleté massage
- Skin type appropriate hydrating masque
- Consultation for at-home skin care

Butterfly Personal Facial - Therapy/Healing

After a consultation and examination, our Esthetician will create a personalized treatment for your face, neck and décolleté area.

- Professional double cleansing
- Exfoliation
- Extractions
- Masque
- Hydration
- Solar defense
- Consultation for at-home skin care

Additional techniques may be added to target the particular needs of your skin.

Body Facial - Relaxation

Using massage techniques, this treatment provides a fresh appearance and focuses on:

- Deep Cleansing
- Exfoliation
- Extraction
- Chest and back
- Skin type appropriate hydrating masque
